Hon. Gary L. Sharpe, Chief Judge

I am one of the People from Washington and we too have constituted Common Law Grand Juries in all of our counties.

And like New York's Unified Common Law Grand Jury we too demand you obey the "Law of the Land" and sign the "writ of mandamus" commanding State judges, clerks and other servants to obey the LAW, it is your duty!

CASE NO. 1:14-CV-552
